NEVTEN

NEVTEN, yaşamınıza konfor ve keyif katan, dört mevsim yaşanabilir yeni dış mekanlar yaratmak üzere 2010 yılında kurulmuş bir aile şirkettir. Bioklimatik, Pergola, Rolling roof, Cam sistemleri, Zip perde, Tente v.b. ürünleri ve bunların aksesuarlarını 15.000 m2 alana sahip çevre dostu fabrikasında üretip pazarlamaktadır.

Yeni inşa veya tadilatınıza, Geleneksel veya modern işinize, mimari tarzınıza, bina tipinize ve ailenize mükemmel şekilde uyarlanabilen çok yönlü çözümlerimizle hizmet sunmaktayız.

NEVTEN, yurtiçi ve yurtdışındaki müşterilerine demonte veya montajlı olarak en yenilikçi ve kaliteli ürünleri uygun fiyatla sunan güvenilir bir isim olmayı başarmaktadır. Paylaşarak büyüme ilkesiyle hareket ederek Yurtiçinde bulunan 80 bayisi ve yurtdışına 50 ülkeye yaptığı ihracat ile satış ağını sürekli büyütmektedir. Nitelikli personellerimiz, tecrübeli mühendislerimiz ve Arge birimimizle teknolojiye sürekli yatırım yapıyor, ihtiyaçlarınızı en iyi şekilde karşılayacak ürünleri geliştirerek rekabetçi fiyatlarla sizlere sunuyoruz.

Çevreye zarar vermeden, çocuklarımıza yaşanabilir bir dünya bırakma amacı güden, teknolojiye ve çağın gereklerine ayak uydurabilen üretim anlayışıyla işimize herdaim yatırım yapıyoruz. Eşit ve katılımcı yönetim anlayışımızla, kadın istihdamına önem verdiğimiz iş modelimizle sektöre öncülük yapıyoruz.

NEVTEN olarak sizleri, azimle, çalışkanlıkla, dürüstlikle, samimiyet ve özveri ile bugünlere getirdiğimiz Nevten ailesinin bir parçası olmaya davet ediyoruz

NEVTEN, is a family company which is built in 2010 to create new outdoor spaces that is livable for 4 seasons and bring your life comfort and joy. It manufactures and trades the products like Bioclimatic, Pergola, Rolling Roof, Glass Systems, Zip Screen, Awnings, and their accessories in it's 15.000 m2, eco friendly factory.

We offer our service to you with our multidirectional solutions which can perfectly be adjusted to your new constructions or renovations, traditional or modern businesses, your architectural style, the type of your building or your family.

NEVTEN, succeeds to be the name that offers it's innovative and qualified products for competitive prices as demount or with montage to it's clients in and out of Turkey. By moving forward with the principal of "developing by sharing", it grows it's trading network with it's 80 dealers in Turkey and exports to 50 countries in the world. We constantly investing on technology with our qualified staff, experienced engineers and our R&D department; and we offer you economical prices by developing products which will supply your needs in the best way.

We invest to our business with a production understanding that can adapt the needs of the century and technology; without harming the environment and by aiming to leave a better and more livable world to our childreh. We lead the sector with our equal and participant understanding of leading and our priority to create employment for women.

As NEVTEN; we invite you to be the part of Nevten family which has come to the present days with ambition, hardworking honesty sincerety and devotion.
